AUGUST 2015 Chamber News

WELCOME TO THE NEW AND IMPROVED ELECTRONIC NEWSLETTER IN AUGUST 2015!

We have had lot of members who have been asking us so this is our “beta test” month to see how our members might like an electronic version of the Midstate Chamber Newsletter.

Now you can read it at work, forward it to your home office and read it later or forward it to a colleague, family member or a friend. In addition, we have reserved a new domain name so you can type www.TheChamberNewsletter.com (upper case optional) from anywhere in the world and instantly find the most current edition of the Midstate Chamber Newsletter. We fully anticipate that this will greatly increase the coverage and readership of your news in our Newsletter. With the electronic format, we are:

- o Becoming environmentally responsible and saving a lot of time and paper.
- o Increasing circulation from more than 650 to well over 1,600.
- o Anticipating that our members will freely forward the newsletters to further increase the viewership.
- o Utilizing hyperlinks to allow more access to information on your devices.
- o Eliminating duplication of information already available on our website.
- o Making text searchable so you can type “Ctrl F” and “Find” the next breakfast.

In August 2015, this is our beta test. We eagerly await your comments. Later in the month of August we will survey our members and ask for your feedback. And we will let you know the overall feedback of the general membership. This will determine the format for the September Newsletter. We hope that you enjoy this new look... please and spread the word!

2015 SUMMERTIME MEMBERSHIP CAMPAIGN... LET’S PLAY BALL AND BE ON A TEAM!

We are very excited about the August 3, 2015 **Baseball Themed Membership Campaign** kickoff at the **Comfort Inn and Suites**. This is the day that we OFFICIALLY start on our goal of 102 additional Chamber members thus shattering the previous record held by past Chairman and current Board Member Frank W. Ridley of F.W.R. Consulting!

Baseball **Commissioner Richard J. Teams will be consisting of a Captain or two Co-Captains and up to 9 team players. Joining a team is a great way to connect with fellow Chamber members to network a bit while helping to grow our membership organization. It means more opportunity and more business for us all! It is consistent with our “**Growing Strong Together**” theme of 2015-2016.

The officially registered Team Captains or Co-Captains to date are:

All of the Team names will be announced very soon but for now I can tell you that one team has been chosen the name “**Dangerous Divas & Dapper Dons**”...and they are looking very well poised to bound onto the field fighting!

If you are looking to start a team or to join with an existing team, just contact the Chamber Staff or contact a Team Captain directly! Or if you know a business that should become a Midstate Chamber member call us! There is always room on the Midstate Chamber team!

MESSAGE FROM THE PRESIDENT:

READY TO SPONSOR SOME "FUNNY BUSINESS"?

On Friday evening, **September 18, 2015**, the Midstate Chamber is hosting "Funny Business" our first ever comedy night at the Polish National Alliance Park Main Hall in Wallingford.

In the month of August, we are soliciting **sponsors** to kick off the event. Sponsors receive a great promotional package and of course they will get choice seats in the front of the house right by the stage and you know how entertaining it is to be sitting there during the performance... maybe we'll even let you tell a joke or two!

Tables of 5 are only \$150 and will accommodate your small business nicely. Tables of 10 are also available for larger crowds and are \$300. We want to prominently list the sponsors in the late August / early September flyer when individual tickets go on sale and create a nice web ad as well.

Doors open at 6:00 p.m., show starts at 7:00 and runs for 90-120 minutes... depending on how hard you laugh! A cash bar of beer & wine will be available on site.

But seriously folks, this event is a fundraiser to benefit the Midstate Chamber AND the United Way of Meriden & Wallingford. Call the Chamber today and let us know if you'd like to sponsor of our first "Funny Business"!

WHO'S WHO AND PEOPLE TO KNOW

"In addition to providing the residents of central Connecticut a high quality, non-medical in-home care experience, we are pleased to offer transportation to our list of offered services," LaRiviere said. "We saw this as an area that we really needed to address. Our mission is to do our part so our clients can stay safe and secure in their own homes. Part of that is being able to close the loop on getting to Doctor's appointments, picking up prescriptions or even to family and social functions. Protein Sciences Corporation announced that the FDA has approved the composition of Flublok® influenza vaccine for the 2015/16 flu season. Every year, influenza vaccine manufacturers must receive approval from the FDA for changes they make to their vaccines so that the vaccines protect against the new strains of flu that are predicted to circulate next flu season. This year, there are two strain changes. Traditional (egg-based) vaccine manufacturers may experience vaccine production delays during years when there are two or more new strains of flu as traditional manufacturing technology is slow; this was the case in the spring for the Southern Hemisphere with influenza vaccine delivery delays of over a month. In contrast, the technology used to make Flublok is fast. This approval enables us to deliver Flublok to distributors and retailers in mid-August.

Hunter's Ambulance Annual Golf Classic In Memory of William Lawton & Carol Gillooly

The Hunter's Golf Classic is held in memory of Emergency Medical Technicians William Lawton and Carol Gillooly, who lost their lives in the line of duty when struck by a drunk driver on September 2, 1989.

Proceeds from the Golf Classic support educational programs, training programs, and fund financial awards for individuals pursuing or furthering their education or training in the fields of emergency medical services, healthcare, and related medical services.

Recipients of financial awards from cities and towns throughout the state have included 348 Emergency Medical Technicians, 18 Paramedics and 3 Nurses. The financial award provides aid to these recipients for their educational expenses, such as tuition, books, and license fees.

The Golf Classic proceeds also help offset the costs of providing classroom space, office space and equipment to various groups and programs involved with the training and education of these individuals. In addition, the funds provide financial support for such other community events that would benefit local government, people in need, or other humanitarian efforts.
