

CONGRATS TO THE HARTFORD LINE *AND* THE HARTFORD LINE AMBASSADORS

On June 18th, Governor Dannel P. Malloy announced that the CTrail Hartford Line attracted a total of 21,850 riders over the course of its two-day opening weekend of service, during which travel was free to celebrate the launch. Sunday attracted a phenomenal response of 11,550 riders, surpassing the 10,300 who rode the train on its opening day of service, June 16th.

"There's undoubtedly a sense of excitement about this long-overdue train service," Governor Malloy said. "We also recognize that a new rail line like this takes time to grow and become part of the everyday lives of the residents of Central Connecticut. This weekend showed that the potential is there. What we must remember is that this is not just about transit – it's about building vibrant communities and continuing to make Connecticut a more attractive place to live, visit, and do business."

During the weekend, the Hartford Line Ambassadors, in their red shorts and white hats, did an absolutely amazing job directing the crowds of passengers at each station. They all appeared calm, cool and collected while they answered the barrage of questions and seemingly effortlessly progressed through "Plan A", "Plan B" and onto "Plan C" and beyond! Thank you all for your service on this historic day!

In the following week Governor Dannel P. Malloy and the Connecticut Department of Transportation (CTDOT) announced that ridership on the new CTrail Hartford Line passenger rail service exceeded 10,719 customers during its first full week of regular operations from Monday, June 18 through Sunday, June 24, during which full-fare tickets were required.

"We know that it will take some time for this new rail service to grow to full maturity and become part of the everyday lives of Connecticut residents, but there is definitely an excitement about this long-overdue train service," Governor Malloy said. "At the end of the day, this transit service is about building vibrant communities that attract businesses, grow jobs, and make our state a more attractive place to live, visit, and do business."

"I've spoken with scores of riders who have begun to use the Hartford Line and who are saying their commute has become much easier and less stressful," CTDOT Commissioner James P. Redeker said. "With easy access and connections with our CTtransit buses, we are opening up all kinds of options for getting around Connecticut – whether you're going to work, to school, or simply playing the role of tourist."

BEST OF LUCK DARLENE ON YOUR FUTURE ENDEAVORS

After nearly 11 ½ years, Darlene Belanger is leaving the Midstate Chamber of Commerce. On behalf of the staff, Board of Directors and the entire membership, I would like to personally thank her for the dedication and commitment to the Midstate Chamber and the central Connecticut community. You will be certainly missed.

Darlene is pictured here with her husband Bruce - this was taken at the June 27th Business After Hours hosted by Apple Rehab Cocomo, co-sponsored by Liberty Bank.

## MESSAGE FROM THE PRESIDENT

### HAPPY SUMMERTIME! IT'S JULY ALREADY

Séan W. Moore

We know that your sales quotas don't disappear in the summer so we don't slow down during the summer either. Connecting remains more important than ever in this competitive world and we have created LOTS of summer time opportunities.

**We are co-sponsoring a Speed Networking event on July 18 at Elim Park in Cheshire with our colleagues from the Cheshire and Hamden Chambers of Commerce.** It's a great way to collect leads and to promote your business in a most expedient fashion...and it's fun too. Details are in the enclosed flyer.

In addition, **Senator Blumenthal** returns in July as our **"LUNCH with a LEADER"** series speaker. There is a lot happening and impacting the business community in D.C. and this is your opportunity to pose your questions and to set your agenda. Please RSVP early for this **July 27th** event!

**Please check the Chamber Calendar regularly to see where we will be - you'll see information in the calendar and inside in special event flyers on July ribbon cuttings and other programs with your Midstate Chamber of Commerce!**

## JOB FAIR THANKS!

I'd like to thank the partnership of the **Workforce Alliance, RJ Media Group, Meriden Housing Authority, the Making Meriden Business Center and Westmount Properties** for hosting an amazing Job Fair / Hiring Event on June 15<sup>th</sup> at 24 Colony Street in downtown Meriden. More than 300 job seekers were either registered or signed up on-site at the event and the employers all expressed how pleased they were with the quality of the prospective employees.

We were excited to host 30 Exhibitors employers and job seeker resources from 13 communities in central Connecticut. It demonstrates the huge size of the mid-state labor shed. And with the rail service starting on the weekend, transportation options are greatly improved and expanded. (We even have members working out job pool options to get employees from the train stations to the places of work!)

We'd like to thank **Dunkin' Donuts** for providing America's favorite coffee in the Vendor lounge. In addition, all exhibitors and sponsors appreciated the fine catered food provided by **V. Czapiga's and Son**. It was greatly appreciated by all of the vendors and staff.

And finally, thanks also to the gentlemen at the **Silver City Ballroom** for opening up their beautiful facility for the event. Together, it was a resounding success. We are already planning the next hiring event! Check with the Chamber for details.

## CHAIRMAN'S CORNER

Things were heating up last month at the Midstate Chamber of Commerce. The month of June had us networking at many different businesses, especially a ribbon cutting and grand opening at Harte Volkswagen, a celebration of 100 years of business with V. Czapiga and Sons, and 131 golfers at this year's 31st Annual Golf tournament. I would like to personally thank all the volunteers that made the golf tournament a huge success. Two other events that were a huge success were the Meriden Job Fair and the inaugural run of the Hartford Line. We had many vendors and lines out the door full of eager job seekers at the job fair and if you haven't taken advantage of riding the train to Hartford or New Haven, I encourage you to do so.

Nate Bottone

If that wasn't enough we concluded our sizzling month with an amazing BHA at Apple Rehab Cocomo co-sponsored by Liberty Bank. This event was very special to our Chamber because we had the opportunity to meet and present awards to our 2018 Student Education Award Winners.

As things continue to heat-up, I want to challenge each and everyone of you. At the annual dinner I mentioned that it wasn't selling the membership, but telling your chamber story. Our goal for the month of July is 10 New members. For every new member that you sign up, you will receive a prize valued at \$20. The prize is a surprise, but trust me when I say **YOU WANT THIS!!** Much appreciation, Nate

## State of Connecticut Department of Transportation - SAFETY IS THE MESSAGE:

Rail traffic between New Haven, Hartford, and Springfield will increase significantly even before the launch of the Hartford Line on June 16th. The Connecticut Department of Transportation (CTDOT) recently announced that it will place electronic signs which will display rail safety messages to drivers at street-level rail crossings along the Hartford Line corridor.

HARTFORD LINE  
CT rail

OPERATION  
LIFESAVER®  
Look. Listen & Live

There will be a steady increase in rail traffic on the Hartford Line corridor throughout the month of June as the number of daily test trains will surge in preparation for the new Hartford Line service. The electronic signs will display messages that alert drivers to the increase in daily trains and remind them to obey traffic laws when navigating street-level rail crossings.

"With the increase in rail traffic, the Connecticut Department of Transportation wants to remind the public to obey the law at rail crossings. People may not always remember that trains cannot stop quickly. In fact, it can take a mile for a train to come to a complete stop. Drivers should never attempt to drive under or around a closing or closed gate at a street-level rail crossing," stated CTDOT Commissioner James Redeker.

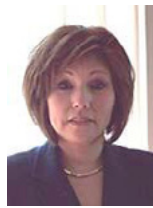

This initiative is part of CTDOT's commitment to Operation Lifesaver - a national educational and awareness campaign around safety at railroad crossings.

Visit [www.nhhsrail.com](http://www.nhhsrail.com) for more information about the NHHS Rail Program and to learn more about the new CTrail Hartford Line passenger rail service, <http://www.hartfordline.com/>.
