

GIVE US YOUR 21-39 YEAR OLDS: LEADERSHIP ACADEMY OF MERIDEN & WALLINGFORD

The Midstate Chamber has been awarded a grant from the James H. Napier Foundation to help fund our 2018-2019 Leadership Meriden Wallingford program. This is an eight-part series of half days designed to foster leadership and to develop the next generation of leaders in our businesses and in our community.

The series will be modeled after our previously successful LGM series and will include meetings with a variety of business and community leaders. We believe that both of the similarities and the contrasts of Meriden and Wallingford will demonstrate many different leadership challenges, opportunities and styles.

The main "textbook" will be "The 21 Irrefutable Laws of Leadership" by John C. Maxwell. Other elements from the Maxwell series will be used to complement the program materials.

Participation in this program will be limited to only 15 participants. If you know of an individual or organization who may benefit from this program, call Sean Moore at the Midstate Chamber today. **We will kick off the first session in January 2019.**

OPPORTUNITY ZONES IN MERIDEN

Meriden has three designed opportunity zones that include census tracts 1701, 1702 and 1709. *This area includes much of our TOD district and several areas poised for redevelopment including 116 Cook Ave and 1 King Place.* The designation has the potential to allow developers to defer capital gains taxes for qualified investments located in the opportunity zone. This could be an important incentive for private investors and developers that make equity investments, rehabilitate properties, and bring new commercial activity to downtown Meriden. *For more information about investment opportunities inside the opportunity zone, please contact the City of Meriden Economic Development Department at 203.630.4152.*

THANKS FOR VOTING FOR US & FOR EACH OTHER IN THE READERS CHOICE AWARDS!

MESSAGE FROM THE PRESIDENT

INSIGHT MAGAZINE AD SALES & PRODUCTION DATES

Séan W. Moore

We are rolling along with the 2019 Edition of *Insight Magazine*, affectionately called "The Chamber Book", and we will be approaching the advertising deadline at the end of this month. We will need your ad copy so we can get the publication to the printer in a timely manner. We print well over 2,000 copies each year and they literally **fly out of our office into our communities**. Many keep them at their desks for quick reference or on a coffee table in their lobbies for visitors to see that they are proud Midstate Chamber members and supporters.

In addition, the PDF version of *Insight* magazine is frequently downloaded from the home page of our website at www.midstatechamber.com...or for a really quick reference, you can type or click www.TheChamberBook.com for your own file. Many people actually prefer the electronic version as they can either easily flip through the pages or quickly search (CTRL + F) the entire magazine for businesses and resources that they seek.

Consider stepping up your visibility with an ad in the *Insight Magazine*. Call us at 203.235.7901.

WE REALLY WANT TO SEE YOU SO COME JOIN US!

One of the most important features of Chamber membership is the connection to other Chamber members so please consider this note as your personal invitation to come on out and attend our upcoming **Business After Hours** and **Ribbon Cuttings**. Both events are **FREE** and all key employees in your organization are welcomed to attend. They are great ways to see other businesses and to meet their staff.

The attendees generally are a diverse group of business and community leaders. Certainly it's social but a lot of business cards do get exchanged and follow up appointments are established and confirmed. Remember: People do business with people they know, like and trust. Take the first step and come on out so your fellow chamber members can get to know you. Look for specific event details on the Chamber's NEW website at www.midstatechamber.com. You can even RSVP there too!

Who's excited for Autumn, I know that I am! With the changing of the season comes new opportunity. What I love most about the Midstate Chamber Commerce are all the opportunities that they provide for us. Have you checked out a Business After Hours or a workshop yet? This month is packed with some exciting ways to help us grow.

One class, that every Entrepreneur should sign up for, is Ready, Set, Go, a Small Business Entrepreneurship workshop series presented by the Small Business Administration. The first class in the three part series is being held at the Chamber offices on October 17th. This workshop will provide you with the tools to stay afloat in this ever changing economy. Please see the enclosed flyer for more information.

Have you checked out our new Website? It is so easy to navigate and provides endless information about upcoming events, resources and member information. The website also has information about the date and time of the next Business After Hours gathering or when a workshop is being held and you can register right there too.

I especially want to thank all the committee members who met last month. I know how hard it is to carve out time in your busy day. We are stronger as a group because of you.

With much appreciation, Nathaniel Bottone

“MOORE” UPDATES FROM THE PRESIDENT!

Sean W. Moore

WE HAVE A SOLUTION TO A TIGHT JOB MARKET

You can find the talent that you need at the Job Fair at Westfield Mall on October 25, 2018.

We have 25 employers and resources already registered with 3 weeks to go! (Our June Job Fair had 25 so we're way ahead.) It will be an awesome location and we will be doing extra outreach to get the job seekers to the event. (Last fair we had more than 300 registered job seekers!) This is a regional job fair with a variety of employers from all over central Connecticut and beyond. Some may be seasonal positions but we anticipate that most will be long-term full-time positions.

There is always room to participate as an Employer or a Resource so call the Chamber today for details. You can also visit www.midstatechamber.com/meriden-career-fair to see who else is looking for workers.

Job Seekers can pre-register at <https://events.r20.constantcontact.com/register/eventReg?oeidk=a07efpodyr8b182ecaa&oseq=&c=&ch=>

FAREWELL TO JIM IERONIMO

It with the sincerest gratitude and thanks that we recognize Jim Ieronimo upon his retirement from the past 12 years as Executive Director of the United Way of Meriden and Wallingford. At the United Way, Jim brought focus, direction, foresight and a unification of all of the agencies and donors of Meriden and Wallingford.

Prior to the United Way, Jim was with the Meriden Board of Education in the Adult and Continuing Ed division. With this work experience, Jim brought a broad perspective to the Midstate Chamber's Education Committee as Chairman for many years and to the Chamber's Board of Directors serving a term as well. We'd like to also thank Jim for his service to the Chamber.

Jim was also extremely active with the Workforce Alliance, our 35 town regional workforce development board, as a Board Member, Executive Committee Member and chairman of the Youth Council. From early learning through school systems and through workforce training, Jim was a strong advocate for business education and training. Thanks Jim.

And for some of us, Jim was our English teacher way back in high school. Through Jim, we understood that words matter. Jim has always been and remains an outstanding communicator. Jim often spoke of ONE United Way Community. When Jim speaks of the ONE United Way Community of Meriden and Wallingford, he is making a broad statement that we can do significantly more together. And he and we have demonstrated that over the 12 years that Jim served as Executive Director.

We wish Jim all the best in his future bi-coastal plans and hope he comes by to visit with us often.

ASG Information Technologies: The #1 threat to your security is YOU! And your employees. Like it or not, human beings are our own worst enemies online, inviting hackers, viruses, data breaches, data loss, etc., through the seemingly innocent actions taken every day online. In most cases, this is done without malicious intent - but if you as a manager or owner aren't monitoring what websites your employees are visiting, what files they're sending and receiving, and even what they're posting in company e-mail, you could be opening yourself up to a world of hurt. Seasons Federal Credit Union - Meriden | Hundreds of children at Connecticut Children's Medical Center

will receive toys through the year thanks to Seasons FCU. Seasons FCU members and employees donated hundreds of toys after hearing in the news the supply of toys given to patients is running low. During the month of August, Seasons FCU was able to fulfill this need with a successful membership toy drive. Members were invited to drop off new toys and games in the branch. Donated items will be used throughout the year as gifts to individual patients in various age groups. At the hospital, they give kids new toys to help them with the recovery process after surgery or a medical procedure. "We believe in the importance of giving back to the tremendous communities we serve," said Keith Wiemert, President/CEO of Seasons Federal Credit Union. "We are extremely grateful for the generosity, efforts and contributions from both our members and our employees to help patients and their families at Connecticut Children's Medical Center. It's a true demonstration of people working together as a community."

10 Year Anniversary Series!

Pascarella Accounting Group, LLC - Outsourcing makes sense when it saves you money, saves you time, or provides expertise you lack. Outsourcing payroll hits all three of those criteria for many business owners. Payroll is one function most business owners are happy to outsource or hire someone else to handle. Unless you're a bookkeeper or accountant, you probably didn't start your business because you like cutting paychecks and filing payroll taxes.

Managing your payroll is complicated, time consuming, and the penalties for paying taxes late or making filing mistakes are harsh. It involves a lot more than just writing out a few checks. There are deductions for retirement plans, benefits, and garnishments to manage. There is withholding for federal, state, and local taxes. There are forms to file and payments to make according to strict deadlines. There are monthly, quarterly, and year-end reports to file. W2s and 1099s have to be distributed to employees and contractors.

Every hour you spend administering your payroll is one less hour you can spend on activities that generate revenue. For that reason, outsourcing functions like payroll that aren't part of your core business is often a smart move, but it isn't always so cut and dried. You have to figure out how much it will cost you to outsource or hire someone and whether the cost is worth it in terms of time, money, and aggravation saved. However, you need to do your homework before you decide which payroll provider will work for you. One of the most frequent complaints about the big payroll providers is poor customer service.

If you're expecting immediate support whenever you have a question, you might be in for a let-down. Customers often complain about waiting on hold and slow turnaround times on support requests. Personal service, such as a dedicated account rep familiar with your account, is not likely either. These are not small local outfits you can call anytime or visit to go over your questions in person.

So, before you choose a payroll provider, give us a call and we will answer any questions you might have. One thing is for sure: we enjoy talking to our clients and provide an outstanding service, so, you will never have to wait "in line" and if your call is missed, it will be returned within minutes. That's our promise!

Penrose Properties, LLC - Chamber representatives recently had a tour of Meriden's newest apartment building called "Meriden Commons" at 161 State Street and it is absolutely beautiful. Meriden Commons (MC), featuring both affordable and market rate units, is currently offering a preferred employer incentive program by offering employees \$100 off their first month's rent. MC would like to add local companies that are members of the Midstate Chamber of Commerce to their list of preferred partners! MC is striving to service more Meriden locals within the area. If you are interested, email Angela Holley, Penrose Properties Leasing Agent, at aholley@pennrose.com or call the Meriden Commons leasing office at (203)-443-1313.

Thompson Chocolate - Meriden's own Thompson Chocolate's Retail Store located at 80 South Vine Street, Meriden is open Mon-Fri 9 a.m. - 4 p.m.

Rising health benefit costs continue to cause employers and their advisors to search for new plan solutions. **Pequot Health Care** has the solution to help employers deliver affordable health benefits without forgoing the health and wellness of their employees.
